

# F.A.Q.'s About Varsity Letterman Jackets

## 1) What do I get for the price of the jacket?

The cost includes the basic Jacket, with the Jacobs Chenille across the top of the back, and your name on the front. We use first names for girls and Last names for guys. This is why once you decide on a size and we embroider the coat, it is yours. We cannot accept any returns or refund any money once an order has been placed.

## 2) How do I get all the other things to put on the Jacket?

- The Graduation class numbers are earned as a Freshman letter and will be sewn on the pocket.

- The Sophomore / Jr. Varsity / Varsity letters are earned for each sport and handed out at the sports award night at the end of each season. They are placed on the right and left hand chest area as shown.

- There is an Academic Letter "J" that is handed out to those who make the honor roll. Subsequent honor rolls earn a gold bar to go on the letter "J". It is placed on the back next to the sports script chenille.

- For each sport you participate in, there is a chenille script lettering available and it is sewn on the back of the jacket. Band, Chorus, Orchestra, Poms and Cheerleading are included in this program. There is nominal fee for each of these and is listed on the order form.

- Captains of a team and other special patches are handed out for various reasons. Those are sewn on the sleeves and are awarded similarly to the letters.

Front of a girl's jacket

Back of a guy's jacket

3) How long does it take?

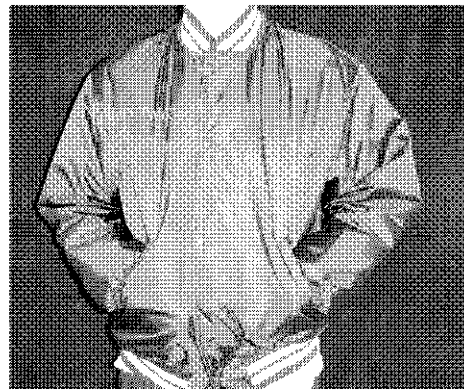

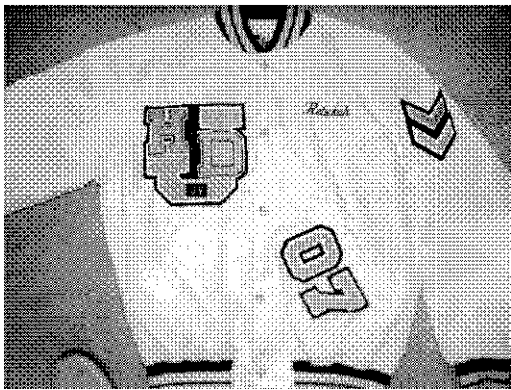

Our supplier keeps 25 jackets in various sizes available at all times. Once the order is placed, the jacket is selected and sent out for the chenille to be sewn on and the name to be embroidered. This usually takes about two weeks, but can run longer. All Tall sizes, 2x and 3x are special order and take longer, typically 8 weeks.

4) Can I just sew it on myself?

- After the delivery of the jacket with name and Jacobs lettering sewn on, you may elect to have a tailor, a drycleaners, or friend with a sewing machine to sew the patches on for you. We will continue to maintain a service that will ensure the highest quality thread and craftsmanship to ensure your coat looks it best. The cost for sewing patches on will be about \$5 each and should take a week or so to turn around.

5) Is there something less expensive than the wool jacket?

- Yes, there is also a nylon jacket option. Those are also listed on the order form and are similarly outfitted. They are available in White for girls and brown for guys.

6) What is a tall size?

- tall sizes are available in the wool jackets only and add 2" to the sleeves and the body of the jacket for taller or long torso, framed people

7) When can I order?

- An order form is on the Spirit Wear Page of the HD Jacobs Athletic Boosters website ([www.jacobsboosters.org](http://www.jacobsboosters.org)). Simply fill out and mail to OnTarget Sales, 9117 Trinity Dr, Lake in the Hills, IL 60156 with a check made out to the HD Jacobs Athletic Boosters Club.

8) Is there anything cooler than a Varsity Jacket?

- No, there is not. Ask your parents. There is nothing that sums up who you are better than a varsity jacket. It represents the greatness of the team, the alliance to the school and the accomplishments you have earned through hard work, dedication and sacrifice.
